

## British Sign Language - Level 1

This course is designed to teach you to communicate with Deaf people in British Sign Language (BSL) on a range of topics that involve simple, everyday language use. You will gain basic skills and confidence in producing and understanding BSL.

**Level 1 is divided into three modules, each of which can be achieved separately.**

101 - Introduction to BSL

102 - Conversational BSL

103 - Communicate in BSL about everyday life

To achieve the full Level 1 Award in British Sign Language, you must pass all units.

### Why choose MeSign

It's well recognised that the easiest and quickest way to learn any language is to fully absorb yourself into the language. So like many other language schools we aim to use native BSL users, and all of the teaching staff are Deaf. By removing the ability to fall back on your 'first' language, learners will naturally progress faster whilst being immersed into Deaf Culture.

A little bit scary? Not really, you don't sign up for a language course 'fluent' in that language, so don't be embarrassed if you struggle occasionally, our teachers are here to help.

Our classes are designed to be fun, engaging and each class has a vibrant atmosphere. The teachers at MeSign are rated 5 star by our students. Studying with MeSign also allows you quick progression through Levels 1-6 should you want to further your studies.

### Student Zone

Upon enrolment you will gain access to our online Student Zone. Here you will find a range of resources designed to help you, test you and support your classroom learning. Our resources are designed to be engaging, fun and authentic to MeSign.

### What you need to know?

Each lesson has a small refreshment break, and our modern classroom houses kitchen facilities with refreshments available.

All resources are provided through the Student Zone. You may find a folder useful to keep your resources together.

Car parking on site is readily available and has no charge.

The full building has disabled access.

### You can book a place on our BSL Level 1 Course
